RYE Y CAMP NEW CIT APPLICATION -> 2022

Dear CIT Candidate,

Before you begin completing your application be sure to read this letter.

Please note that: all CIT candidates must be currently enrolled in their freshman or sophomore year of high school.

At the Rye YMCA, we take the Counselor in Training (CIT) Program very seriously. We believe the future of our camps lie within you. We will train you and give you the tools necessary to one day become a great counselor. You will be the one who determines how these tools are used. Whether you have been a camper before or this is your first experience with us, we believe you have the potential to be a great asset to the Rye YMCA.

Please understand if you are accepted into the CIT Program you are no longer a “camper”. This means from the moment you accept this position, you will need to be a positive role model at camp, at the YMCA, and in the community. While you are no longer a “camper”, you are also not yet a counselor. Throughout the summer, you will be working with the Camp Leadership Team on team building, activity planning, role modeling, problem solving and supervision. The other part of your CIT experience will be working within an assigned group of campers and staff. This will give you the chance to implement the skills you learned from the planning time with the Camp Leadership Staff and peers. As a CIT, you are a representative of the YMCA – both while at camp, but also within the community. Being a CIT at the Rye YMCA is an honor and something the community views as an important leadership role.

I hope after you have read this letter, you're still interested in being a CIT and understand how important your role is to us. Acceptance to the program is based off of this application and your letters of recommendation. Follow up interviews will be arranged by the team that reviews your application.

Thank you for your interest in becoming a Rye Y Camp CIT.

Sincerely,

Kathy Lynam
Senior Director- Family, Camp,& Child Care
